P57022

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:

TAE-HO LEE

Serial No.: 10/774,608

Examiner: PATEL, VIP

Filed: 10 February 2004

Art Unit: 2879

For: PLASMA DISPLAY PANEL WITH OPEN AND CLOSED DISCHARGE CELLS
(as amended)

AMENDMENT

Paper No. 13

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In confirmation of the telephone discussion with Supervisory Patent Examiner Nimesh D. Patel on Friday, 6 January 2006, in response to the Supplemental first Office action mailed on 14 December 2005 (Paper No. 0805) which is identical, except for citation of a reference in PTO-892 form and acknowledgment of foreign priority, to the first Office action mailed on 23 August 2005 (Paper No. 0805), Applicant submits herewith an Amendment (Paper No. 13) which is basically identical (except for appreciation for Examiner's citation of a reference in PTO-892 form and acknowledgment of foreign priority) to Applicant's Amendment (Paper No. 11) previously filed on 18 November 2005 which is responsive to Paper No. 0805 mailed on 23 August 2005.

Folio: P57022
Date: 1/10/06
